A NEW SCRIPTURE EDITION SO COMPACT YOU CAN CARRY IT EVERYWHERE

As Latter-day Saints, we are counseled to read and study the scriptures every day. Now it's easier than ever to accomplish that goal. The new **Compact Quadruple Combination** is so small and lightweight that it can be carried to the office, to church meetings, while on errands, or while traveling away from home. The Bible, Book of Mormon, Doctrine and Covenants, and Pearl of Great Price are all bound together in this miniature volume.

New Compact Quadruple Combination

Of course, you'll want a new **Compact Quad** for yourself, but you may also think of others who would love this new scripture edition as much as you do. A husband or wife would appreciate this thoughtful gift. It's also perfect for missionaries and students. Everyone who enjoys reading the scriptures but has a busy lifestyle will find the **Compact Quad** easy to carry—a little book to take along everywhere.

The new **Style A Compact Quadruple Combination** is available wherever LDS scriptures are sold or by calling **Deseret Book Express**. Outside Utah, call toll-free 1-800-453-4532. In Utah call toll-free 1-800-662-3653. Salt Lake area call 534-1515.

Because supplies are limited this year, we recommend that you purchase your compact quad as early as possible.
